

THE 1ST ANNUAL SPECTRUM/MT. VIEW ALUMNI SCHOLARSHIP AUCTION

**Supporting graduating Spectrum's graduating
students with scholarships in Academics,
Athletics, The Arts and Trades & Technology**

April 16th, 2021

Thank you for your interest in our exciting fundraising efforts.

This year's goal is to raise \$10,000 to help Spectrum Community School students - present and future - pursue their post-secondary dreams.

**The Online Auction will run from June 5th to 12th
Donations need to be dropped off at Spectrum by May 20**

Our Alumni Association is asking for the support of businesses within our Spectrum community as well as in the Lower Vancouver Island region. Consider your donations as a way to show your support for our graduates and their goals and dreams.

Donations can be merchandise, gift cards/certificates, services or adventures, and are only limited by your imagination. By donating, you or your business will be promoted to over 1000 school families, and potentially 13,000 Spectrum alumni, and the entire community.

Thank you for ensuring that "community" remains strong at Spectrum Community School. Your assistance in helping Spectrum graduates realize their dreams, even in a COVID world, is greatly appreciated.
